

## NEET EXAM FOR THE YEAR 2021

Dear P/G

The online registration process for NEET examination conducted by NTA for admissions into institutions of higher learning has started in our country. Based on the requests made by the parents, Thamarai Achievers Academy helps the students with online registration processes. This is purely a service provided by the academy to help the students to complete the registration process on time and without much difficulty. Normally the academy requires a list of documents (given below) for online registration. The parents and the students have to affix their signature in the space given in the list. If a student/parent would like to apply on their own, they can do so. They are requested to go through the brochures carefully before filling up the applications. The parents can contact 8012597421, 9787722159 for any clarification.

### **List of documents required:**

1. Non-creamy layer Certificate (if applicable) for OBC category
2. EWS certificate (if applicable) for General category
3. Aadhaar card with all the required corrections (if any) to match with the student details as per school records (submitted to CBSE).
4. Scanned copy of signature of the student
5. Scanned copy of Left hand thumb impression (for NEET) will be taken at academy for those students who seek help from the academy.
6. Soft copy of the Passport size photo (3.5cm x 4.5 cm) (size: 10 kb to 200 kb) and Post Card size photograph (4"X6") (Size: 50 kb - 300 kb) with name and date on which the photograph is taken and with a white background.
7. Soft copy of Grade X Marksheet.
